Stem Cell Therapies and You: A Special Patient Advocate Event at Cedars Sinai

Event date:	Oct 30, 2017
Event type:	Public Seminar
Event location:	Harvey Morse Auditorium, Cedars Sinai, 8700 Beverly Blvd., Los Angeles, CA 90048
Registration:	Eventbrite

The California Institute for Regenerative Medicine (CIRM) and Cedars-Sinai welcome you to a free patient advocate event about how stem cell therapies are helping patients with unmet medical needs.

Stem cell research is now providing cures and life-changing treatments to patients facing a wide array of diseases and disorders. Learn about the exciting progress being made in stem cell research and what it could mean for you, your family and loved ones.

This meeting is FREE and open to the public. We hope that you'll join us!
